

Welcome Home Baskets!

Every month, Safelight assists clients with signing their leases and moving into their own/new spaces. Many of these households are starting from scratch and are often in need of general household supplies, furniture, and home goods. Through creating a Welcome Home Basket, you can help to support them in their housing journey. A Welcome Home Basket consists of a laundry basket filled with new cleaning supplies, toiletries, and linens. Listed below are examples of items to include!

Rectangular laundry basket

Cleaning Supplies – dish soap, laundry detergent, multi-purpose cleaner, mop/bucket, broom/dustpan, sponges, paper towels, cleaning cloths

Toiletries – toilet paper, hand soap, bar soap, body wash, hair products for all ethnicities

Linens – bath towels, hand towels, washcloths, shower curtain and hooks, kitchen towels, new bed pillows
