

Driver (15 passenger Van or Resale Store pickup van)

Our van drivers play such a key role in helping transport our clients or picking up/delivering donations. Transportation can be a barrier for many of our clients. Van drivers would play a key role in transporting clients to different doctor's appointments, Dentist appointments and their meetings across Henderson County. Van drivers can also assist by picking up pieces of furniture for our clients who have now found housing. The van driver can help pick up pieces of furniture up for the Resale Store. Transportation volunteers will report to our shelter manager, housing manager, and Community Engagement Coordinator.

Volunteer duties are as follows:

- Must be able to pass a background check
- 7 years background driving check with operations director to get covered by Safelight auto insurance as a driver.
- Ability to work a flexible schedule
